

Sermon Discussion Questions | October 29, 2017 Romans 4 | “Justification by Faith” Pastor Clay Smith

1. What was new or challenging in this message?
2. Why do you think reclaiming the truth that it is through faith alone in Christ alone that we are saved meant so much to Martin Luther? What has this doctrine meant to you?
3. What may be ways you have struggled to believe the gospel of grace instead of seeking to prove your worth to God by religious activity?
4. How might we be able to discern in our own hearts that we are trusting in the strength of our faith instead of the strength of our Jesus to save us? How does the difference feel?
5. Justification involves both subtraction and addition – subtraction of our guilt from us and addition of Jesus’ righteousness to us. How does being seen by your heavenly Father as wrapped in the righteousness of Jesus give you hope today?
